

3 with the substitute drawings. Fig. 2A and Fig. 2B are supported by originally filed Fig. 2, which was separated into two parts to fit on the size of the paper and to provide sufficient font size of the lettering in the Fig. 2A and 2B. Fig. 1, Fig. 3 and Fig. 4 are supported by the originally filed drawings. The only terms in Chinese were in Fig. 2A. These have now been translated into English and reads as Primer 1, Primer 2 and Primer 3, Primer 4. All terms of the filed drawings are now all in English and complies with the requirements. No new matter has been entered by the preliminary amendment and the substitute drawings. Entry of the substitute drawings and the amendment is requested.

The margins of the drawings are now in compliance with the requirements.

Enclosed is a copy of the Notice of Incomplete Reply.
